PRINT RELEASE

- Client is hereby granted permission to reproduce these images and make an unlimited number of prints, for personal use only. Capturing Moments Photography **HIGHLY RECOMMENDS** printing images at a professional photo lab, rather than chain or box stores, to insure the highest quality of print images available. Images printed at a non-professional lab cannot be guaranteed to have the same color quality or clarity provided in the digital files from the photographer.
- Local Lab Recommendations:
 - The Camera Shop at 2634 Henry Street, Muskegon, MI 49441
- Online Lab Recommendations:
